

Pizza Heart

Ingredients:

- 2 rolls of crescent roll dough
- Sliced mozzarella cheese
- Turkey pepperonis
- Marinara sauce
- 1 TBS melted butter
- 1 tsp garlic powder

Directions

1. Preheat oven to 375 degrees
2. Line a baking sheet with parchment paper. Create your heart shape with crescent rolls by placing the straight edge on the outside and creating a heart shape. I used a total of 10 rolls, but you can use more and make a larger heart.
3. Spoon small amount of marinara sauce on the wide edge, followed by cheese and pepperonis. Fold over the triangle edge and tuck beneath to hold everything together.
4. Fold the two top edges downward to make a heart shape.
5. Mix butter and garlic powder and brush on top.
6. Bake on center rack for about 15 minutes, or until golden brown.
7. Enjoy!
