## RECIPE CURATOR & LIFESTYLE CREATOR

*Hi there, I'm Teresa*

a wellness-focused creator helping families simplify real life.

I'm a mom of three under six, a certified physician assistant, and an Oklahoma-based creator focused on sustainable health, family-friendly meals, and intentional home living.

My content centers on approachable, family-friendly recipes and lifestyle routines that resonate with busy parents. I create highly shareable Reels designed to inspire, educate, and convert - helping brands reach engaged households looking for practical, real-life solutions.

With a background in medicine, I bring an evidence-based, thoughtful lens to the products and routines I share - prioritizing trust, transparency, and long-term value for my audience.

Best for: family-focused brands, food & kitchen products, wellness, home, lifestyle, and everyday essentials.
